Alexandria, VA 22313-1450

RESPONSE TO OFFICE ACTION MAILED JANUARY 31, 2011

In response to the Office Action mailed January 31, 2011, the Applicant respectfully requests reconsideration in light of the following Response. This application was subject to a prior Appeal to the Board of Patent Appeals and Interferences, which reversed a prior anticipation rejection based on the Trossen [20030212764] reference.

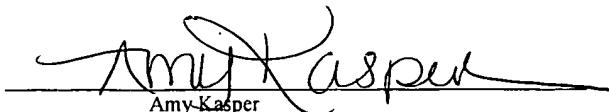

Upon remand to the Examiner, the Examiner issued another rejection of the claims based on the same Trossen reference, which was previously found by the Patent Office Appeal Board to be distinguishable from the claimed invention. The Applicant requests reconsideration of the application in light of the present arguments.
